Toll-Free DIDs Are Now 25¢

This includes both new and existing DIDs and is not a time-limited promotion! The DIDs will not incur any Activation or Porting Fees, but some exclusions do apply. Grab your piggy-bank, dust it off, and crack it open because you're about to start seeing some savings! Effective March 1, 2017, we are dropping our Toll-Free Monthly DID Fee to 25¢ for wholesale customers.
